

Beste Klant,

Dear customer,
Sehr geehrter Kunde,

Let op!

Please notice!
Bitte beachten Sie!

Er zijn twee manieren om de poten M15 te monteren Schuin met een hoek van ca. 45 graden - of recht.

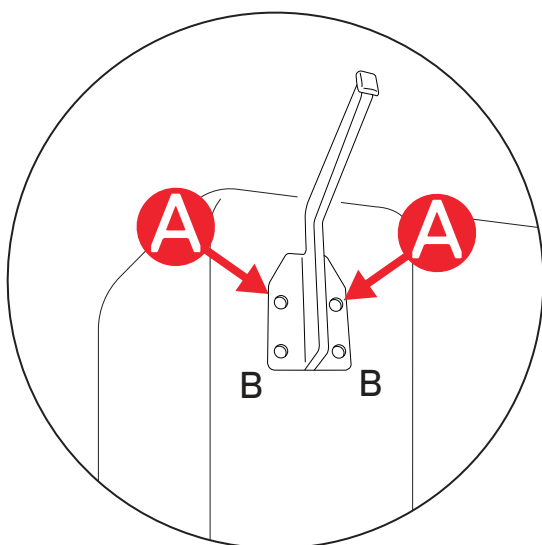

There are two ways to mount the legs M15. Angled with an angle of approx. 45 degrees - or straight.

Es gibt zwei Möglichkeiten, die Beine M15 zu montieren. Abgewinkelt mit einem Winkel von ca. 45 Grad - oder gerade.

Rechte Poot

Straight leg

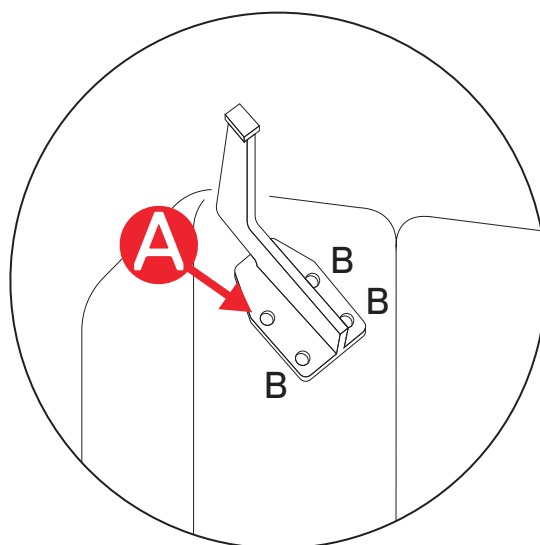

Gerade Fuß

Schuine Poot

Angled leg

Angewinkelter Fuß

Om de poten te monteren heb je 2 soorten bouten en schroeven nodig, **type A en B**. De bouten worden aangegeven met een pijl.

To mount the legs you need 2 types of bolts and screws, **type A and B**. The bolts are indicated by an arrow.

Für die Montage der Beine benötigen Sie 2 Arten von Bolzen und Schrauben, **Typ A und B**. Die Bolzen sind mit einem Pfeil gekennzeichnet.

Er zijn geen voorgeboorde gaten gemaakt ten behoeve van de houtschroeven.

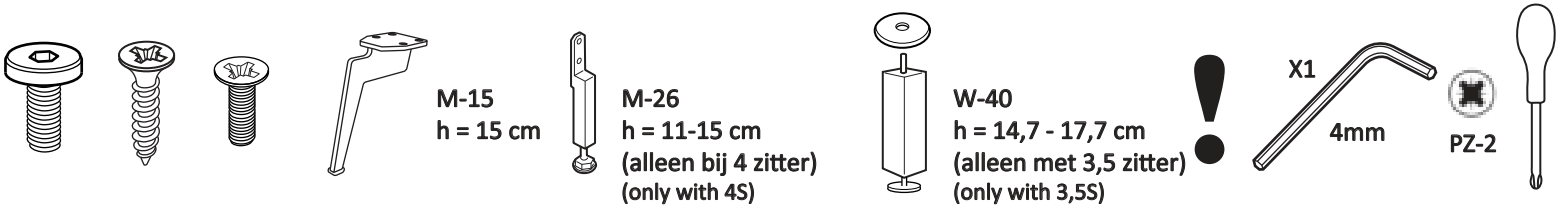

There are no prepared holes for wood screws in the bottom of the sofa.

Es gibt keine vorbereiteten Löcher für Holzschrauben in der Unterseite des Sofas.

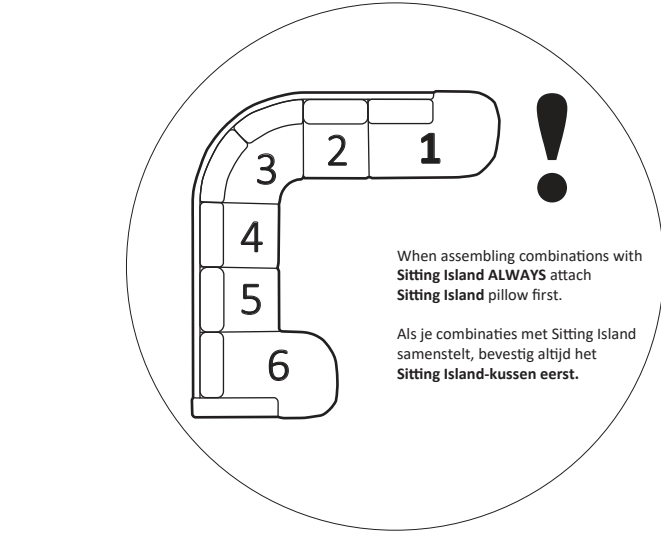

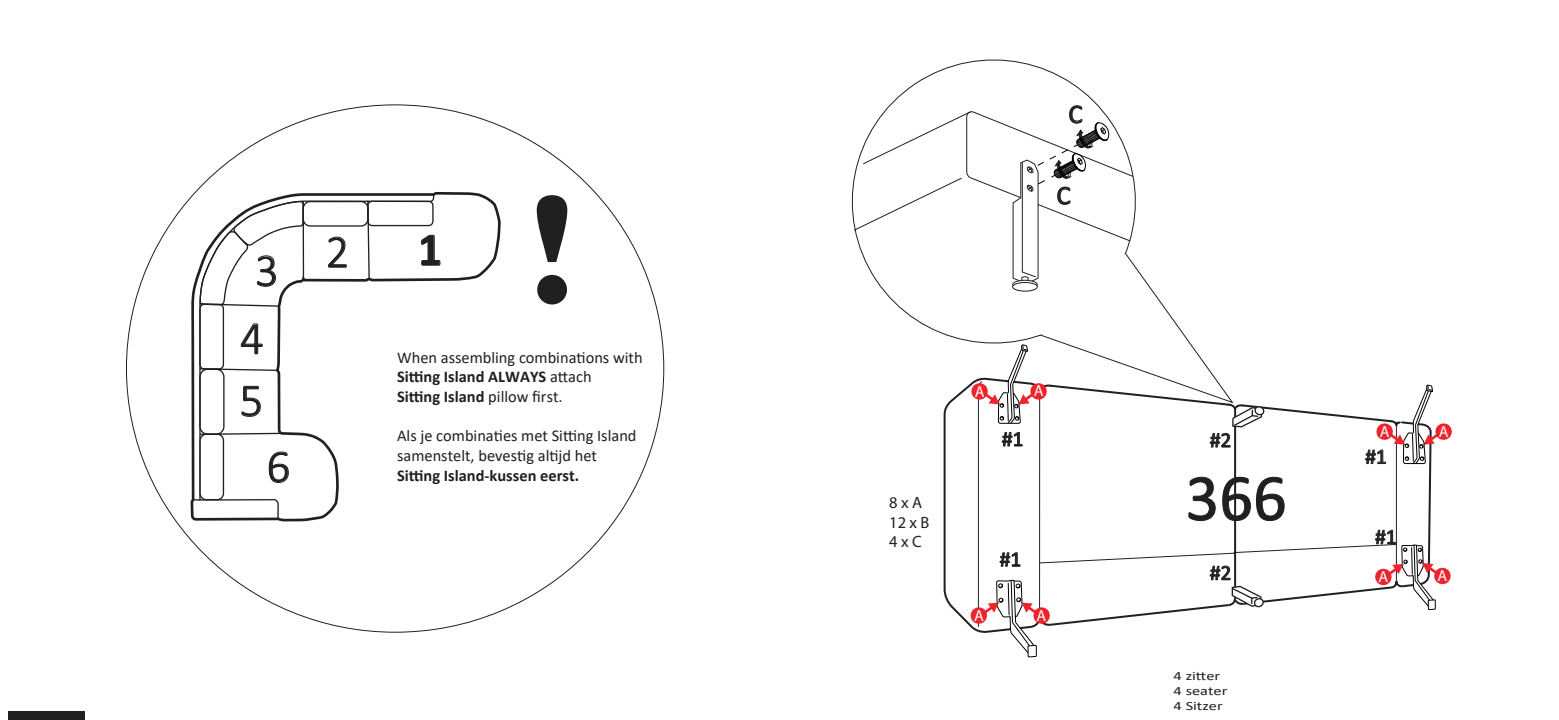

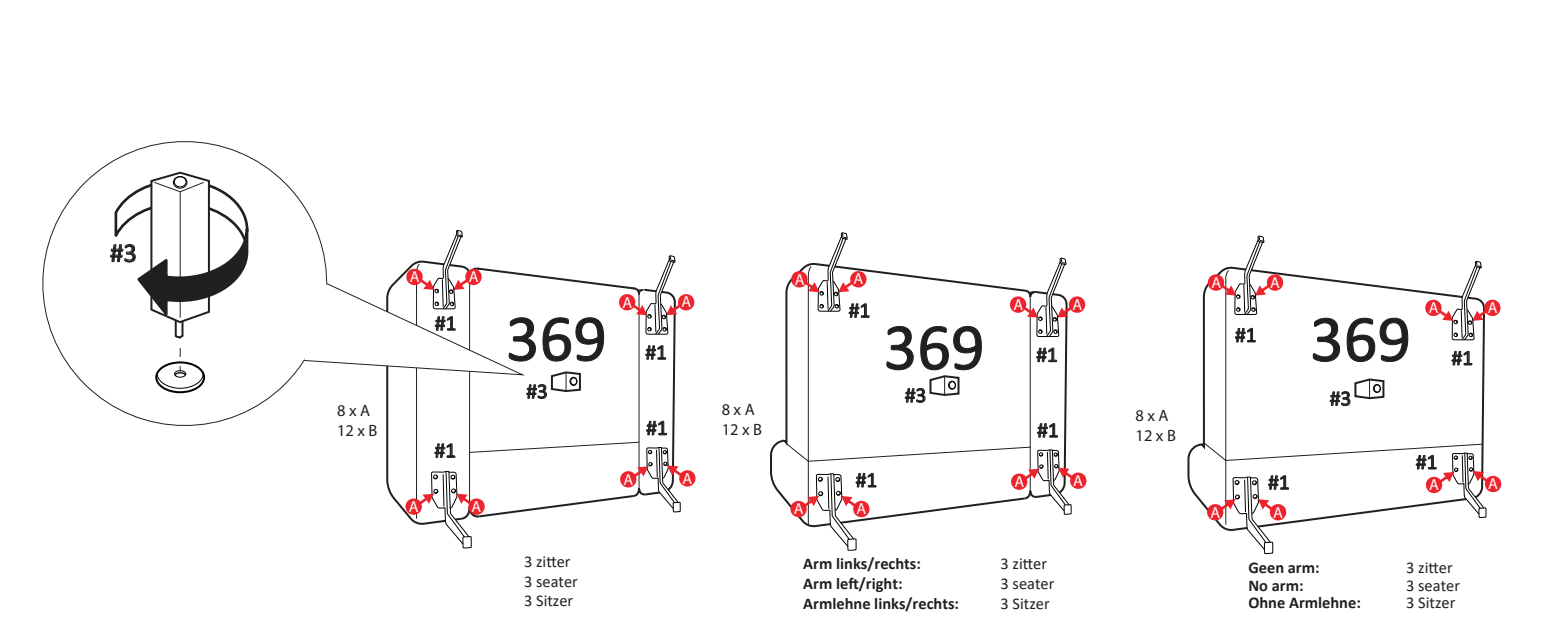

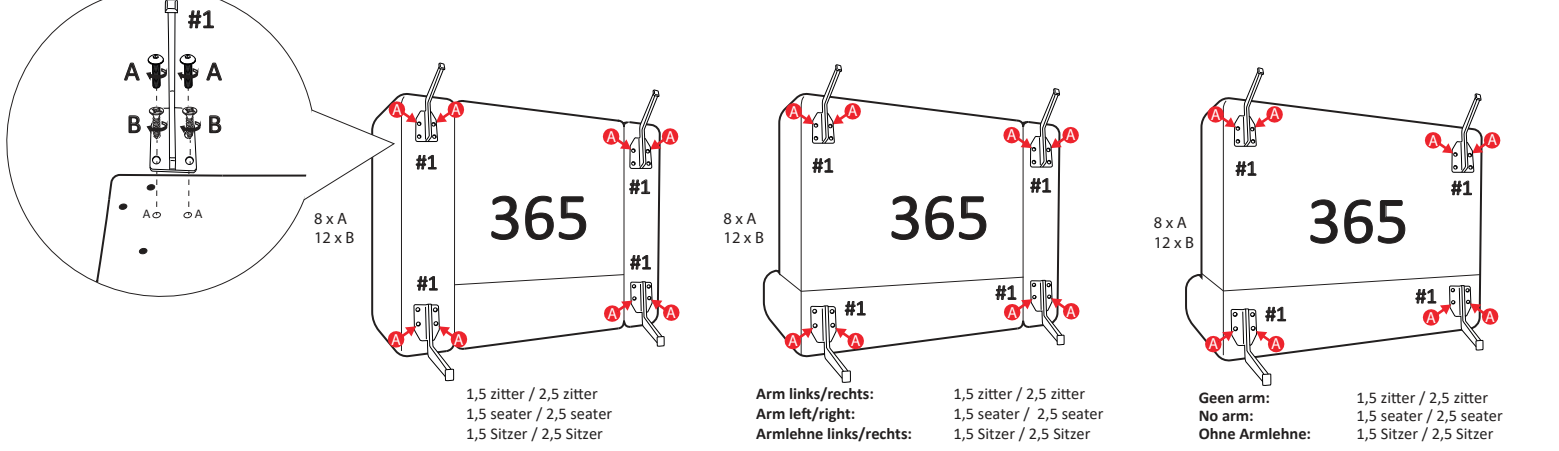

Omdat het aangegeven/meegeleverde aantal bouten en schroeven voldoende is voor zowel de rechtste als schuine pootmontage, is het normaal dat er na montage nog enkele reserveonderdelen over zijn.

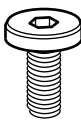

Because the quantity bolts and screws indicated/delivered is sufficient for both straight and angled legmounting, it is normal to have some spare parts after mounting.

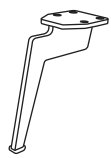

Da die angegebene/gelieferte anzahl bolzen und schrauben sowohl für die gerade und abgewinkelte montage ausreicht, ist es normal, dass nach der montage einige ersatzteile übrig bleiben.
